Attorney Docket No. 214 :

ON PETITION

This is a decision on the renewed petition under the unintentional provisions of 37 CFR 1.137(b), filed April 15, 2008, to revive the above-identified application.

The petition is **DISMISSED**.

This application became abandoned for failure to timely respond to the Notice of Allowance and Fee(s) Due and the Notice of Allowability, mailed November 19, 2003. On June 11, 2007 a petition under 1.137(b) was filed. The petition was dismissed in a decision mailed October 31, 2007. In response on December 3, 2007 the present petition was filed. The petition was dismissed again in a decision mailed on February 15, 2008. In response on April 15, 2008 this petition was filed.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (3).

When did applicant first become aware of the abandoned status of the instant application? Petition must provide copies of any correspondence between applicant and themselves so the Office may ascertain whether or not there was any intentional delay.

There is no indication that the person signing the instant petition was ever given power of attorney or authorization of agent to prosecute the above-identified application. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party on whose behalf he/she acts. However, if petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in this case in accordance with MPEP 601.03.

The petition has been reconsidered however, petitioner has not yet proven unintentional delay.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.
